There are a lot of great ways to recycle here are a few tips to help you start on the right track.

• Find an accessible area to store your recycling bins. Make it easy to use for all ages.

• Think before you buy! Make a conscious effort to buy products in packaging that can be recycled.

• Reduce your rubbish bin size, start sorting your waste out. You will be amazed how much you have been throwing away!

• Keep a Foodwaste bin on your bench to stop food scraps and tissues going into the rubbish bin and start up a worm farm in your back yard.

• If a product can’t be recycled think of another way you might be able to use it! Think Upcycle.

• Make sure all containers are rinsed and lids are removed.
